

## Royal Oak Michigan A Spectacular Glass Experience

On this trip we will join Habatat Galleries Glasstopia as well as enjoy an extra day of activities especially selected for GLANC. We will meet many of the world's top glass artists, both at Habatat Galleries & at their presentations at the Somerset Inn. We will have an opportunity to purchase, at auction, pieces from major collections. There will be several opportunities for a VIP preview of Habatat's Invitational show, as well as Peter Bremers' solo exhibition. Our group will enjoy a private tour of Cranbrook Academy of Art, a 10 department school offering masters' degrees in 10 art disciplines

During Glasstopia, we will travel to the Flint Institute of Arts & attend the opening of the Shirley & Sherwin Glass Collection. Kari Russell-Pool & Marc Petrovic will be demonstrating their techniques at Flint. We will also visit the new Davidson-Gerson Gallery of Glass in Greenfield Village. There we will enjoy works from the collections of Bruce & Ann Bachman & Dorothy Gerson.

On Saturday evening, we will have a private GLANC dinner, after which we will go to the official opening of Habatat's 46th Annual International Glass Invitational Glass Award Exhibition.

GLANC will enjoy 4 nights & 3 full days of getting to know artists, leisurely viewing Habatat's world class gallery, attending outstanding collections housed in museums & homes, & watching artist demos.

The Detroit Airport is approximately ½ hour by car from Habatat. You might want to add on an extra day to see the Glass Pavilion at the Toledo Museum of Art, or to visit the Detroit Institute of Art.
